You see opportunity. If something doesn’t exist, you create it. Introducing the first ever Infiniti Q30. A category-redefining premium active compact that pushes boldly past the conventional boundaries of design. But then, what else would you expect?
YOU. OUT IN FRONT. DEFINING A NEW STYLE.

The city is your stage. Infiniti Q30 puts you in the spotlight – with a stance that rises above the rest and with dramatic lines that are as expressive as you are.

ELEVATED STANCE. No other 5-door compact car is as sleek and sporty with a seating position that gives you the height to stand out. The unique black lacquer trim around the wheels and lower side sills emphasise its unique stance. The ideal height provides a clearer view over traffic whilst making it easier to enter and exit the Infiniti Q30.

UNDENIABLY INFINITI. The top arc of the grille mirrors the arc of the bottom to form Infiniti’s signature double-arch grille. The crescent-shaped C-Pillar arcs forward from the rear window as if in perpetual motion. The Infiniti Q30 displays Infiniti’s DNA in every curve, front to rear.

19-INCH SPORT WHEELS. Specially designed to integrate with the athletic lines of the Infiniti Q30 Sport, the dark finish shows off its aggressive styling. Lightweight to enhance performance, they are standard on the Infiniti Q30 Sport and optional on the Infiniti Q30 Premium and Premium Tech grades.

SIGNATURE LED LIGHTING. Inspired by the human eye, the trademark Infiniti light shape can be seen from both the front and the side. It is echoed in the taillamps for a definitive character from every angle.

DYNAMIC LINES. A rising and dipping shoulder line runs the entire length of the Infiniti Q30. The deep, sharp curves on the doors are so dramatic, engineers had to develop a new type of 3D manufacturing process to produce them. Infiniti Q30 looks like nothing else on the streets.
THE NEW FEEL OF NONCONFORMITY

On every surface inside, you’ll find high-quality softness from the same kinds of premium materials found on your favourite luxury goods.

SUDE-LIKE SOFTNESS  Developed in Italy by the high-fashion industry for use on surfaces you touch often – like the lining in purses and shoes – this non-solvent, recycled material imparts a suede-like feel to the front pillars and headliner.1

TESTED TOUCH  With hundreds of people around the world we searched to find a texture that was most pleasing to the fingertip. We then crafted Sofilez to meet that requirement. When quality is important and durability essential, you’ll find it – the centre arm rest is just one example.

NAPPA LEATHER  This genuine leather is selected for its exceptional, clothing-quality softness. We use it beyond obvious places such as the seating surfaces but also on the dash.1

THE NEW SHAPE OF INDIVIDUALITY

Shapes that flow naturally in beautiful asymmetry create an inviting interior that is fresh and unique. This is design with a new view.

FIRST IMPRESSIONS  From the driver’s seat, the intersecting curves of the interior are refreshingly dynamic, but our designers know that your first view happens before you ever sit down. They designed it to be breathtaking the moment you open the door, from the side view, as well as head on.

DESIGNED IN MOTION  When you’re in the Q30, you’re driving – and that’s why our design director had his team push him around in the courtyard while he sat in a mockup of the interior. The movement of light had to be perfect on every surface.
IT’S YOUR STATEMENT. BE BOLD.

As unique as the Infiniti Q30 may be, you can refine it to reflect the true you. Choose from three designer colour combinations that are as personal as your style and as unique as your individual expression.1

CITY BLACK  Sophisticated urbanity in black and purple. It features purple stitching on the black leatherette and Alcantara® seating surfaces, armrests and dashboard insert. Purple accents are also found on the wheels, kicking plates and key fob to complement the look.1

CAFÉ TEAK  Casual, but nothing less than refined. Classic material meets modern reinvention with black stitching on chocolate Nappa leather upholstery and stainless steel kicking plates.1

MATCHING WHEELS  The interior design colour combinations are extended to the exterior with unique 18- or 19-inch wheels with colour-matched accents. Their machined surfaces are enhanced with a special laser etching process exclusive to Infiniti that uses a unique laser treatment to literally sculpt the purple or red accent colour on the wheel with never-before-seen precision.1

GALLERY WHITE  Designed to be the purest white leather available for possibly the purest expression of your style, it’s been accented with red stitching for a distinctive look. Hints of red are also found on the key fob, wheels and kicking plates.1
IN TOUCH WITH YOUR CONNECTED WORLD

Infiniti InTouch™ makes your world flow. Your life is mobile, and Infiniti InTouch™ seamlessly brings your world into your car. Stay ahead and in contact with your voice, text, email, calendar, navigation and music.

A PREMIUM CONNECTION  Every time you get into your Infiniti Q30, connect with technology that responds like the technology you hold in your hand. After you connect your compatible smartphone, Infiniti InTouch™ brings your world into your car, allowing you to read email or text, listen to your playlist, navigate unfamiliar streets or call your friends.1

MORE OF YOUR WORLD  Personalise your Infiniti Q30 to keep you moving ahead instead of catching up. Sync to a selection of apps from your compatible smartphone to your car so you can access your email, calendar, and search capabilities.1

ADJUSTS TO YOU  Infiniti InTouch™ delivers an intuitive experience right from your driver’s seat in the manner that best suits you. Once your compatible smartphone is connected, you can interact with the state-of-the-art system however you find easiest – through the 7-inch colour touchscreen, Infiniti Controller or voice command.1

PLUG-IN CONVENIENCE  Two USB ports give you twice the opportunities. Get instant access to your music library. Charge your smartphone. Listen to tunes on a USB stick or drive. An optional 10-speaker Bose® audio system will transform your Infiniti Q30 into a mobile sound studio.

BLUETOOTH® STREAMING AUDIO  Turn your compatible Bluetooth™-enabled smartphone into a source of music, and listen to your top playlists over the Infiniti Q30 audio system.

HANDS-FREE VERSATILITY  With the Infiniti Bluetooth® Hands-free Phone System, you can make and receive wireless calls using voice recognition. No fumbling. No need for a headset. Just press a button on the steering wheel.
STABLE CORNERING

Sharpness with smoothness

Sporty yet forgiving, you can feel the attention paid to tuning the Infiniti Q30 shock absorbers. They hold the Infiniti Q30 tight and stable as you take turns whilst softening rough pavement and cobblestone, for a rare balance of responsive handling with a smooth ride. Engineers even reduced suspension noise so it sounds smooth.

FINE-TUNED STEERING

The Infiniti Q30 was made to thrive in the fast-paced challenges of urban driving. A little turn of the wheel results in a big response with little effort, so it’s always easy.

SPORT SUSPENSION

In the Infiniti Q30 Sport 2.0 Turbo and 2.2 Diesel, reflexes are sharpened and the look is more aggressive, thanks to a lower and firmer suspension. It is paired with larger brakes and drilled front discs that stay cooler for better stopping performance.¹

SEAT DESIGN

You connect to your Infiniti Q30 through the steering wheel and your seat. The driver seat’s design is based on zero gravity research to provide maximum spinal support and reduce the pressure on muscles, so it supports you where you need it whilst also reducing fatigue on long drives.

QUICK RESPONSES FOR THE URBAN STREETS

Obstacles and opportunities came up fast in the city. The Infiniti Q30 empowers you to respond with finely tuned handling that is as agile as it is smooth.
EVERY SENSE IS HEIGHTENED AND QUICKENED

From the feel of acceleration to the song of the engine, we’ve amplified the experience of power and sound motion in the Infiniti Q30.

DUAL CLUTCH TRANSMISSION  Shift delays are now an artefact of history. With one clutch for even gears and another for odd, the next gear is already pre-selected. The result is smooth gear changes you’ll interpret as pure, clean power.1

SHARP SHIFTING  Paddle shifters on the steering wheel give you fingertip control over gear selection. The speedy shifting of the Dual Clutch Transmission (DCT) feels even faster when you never take your hands from the wheel to change gears.1

A CONTINUOUS Swell  Acceleration Swell is our vision of power. By precisely tuning the engine to utilise torque over a broader rev range, the force you feel seems to provide a limitless emotional experience.

INTUITIVE TRACTION  The available All-Wheel Drive system infinitely adjusts for better traction by sending anywhere from 0 to 50% of the power to the rear wheels when you need it. And it’s lightweight, so you get added control without sacrificing efficiency.

DRIVE MODE SELECTOR  Adjust your driving experience to fit the moment. Whether you want efficiency, smoothness or sportiness, select Manual, ECO or Sport mode to fine-tune your performance to your needs.

With two different turbocharged petrol engines to choose from, select optimal power, optimal mileage or a combination of the two that makes the most sense for the way you drive.

PETROL

For superb efficiency, economy and durability, these proven diesel engines provide a remarkably quick response to throttle and a long flat torque curve for highway performance.

DIESEL

DIESEL
EASY TO PARK FROM ANY ANGLE

No other vehicle in its class offers this combination of innovations and parking assistance technologies. It is engineering that intuitively extends your ability to manoeuvre in and around tight spaces.

SEE EVERY SIDE Gain a new perspective on what’s around you. With the Around View Monitor with Moving Object Detection and Front and Rear Parking Sensor System, four cameras and one virtual 360° view from above make it easy to see and manoeuvre even in the tightest spaces.

MOVING OBJECT DETECTION The four cameras not only give you an unprecedented view, they keep watch as well. An audible alert is given when a stationary or moving object is detected behind you or close by, and the appropriate camera is highlighted to show you which side.

AUTOMATIC PARK ASSISTANCE Using a combination of 12 sensors, this system will determine if the parking area is large enough. Simply press a button to confirm, and operate the accelerator and brake pedals. The Q30 will park itself safely – in parallel or reversing in parking spots.
MASTER THE WAY—YOU MOVE THROUGH TRAFFIC

Whether the roads are clear, chaotic or constantly changing, intelligent technologies help guide you through the action.

KNOW YOUR WAY. Find your way through busy streets and unfamiliar territory. InTouch with Navigation lets you choose a view that’s most intuitive to you – a 2D overhead view or a 3D Birdview perspective. You can even search for a destination without knowing the specific name or category, then save it to start your journey.

MAINTAIN YOUR LANE. The Lane Departure Warning monitors lane markings and will warn you visually, audibly and physically – as a vibration through the steering wheel – so you can correct your line before you leave your lane.

MANAGE YOUR PACE. Set your desired speed and distance, and Intelligent Cruise Control (Full-Speed Range) will automatically adjust your speed in slowing traffic, all the way to a complete stop. Once the way clears, Intelligent Cruise Control will bring you back up to your preset speed.

SEE THE SIGNS. The traffic sign recognition uses a camera to watch for posted speed limits and give you a reminder in the instrument panel. Helping you remain aware, and stay in command.
RECOGNISING DANGER Forward Collision Warning* looks ahead for the vehicle in front. If you’re closing in too quickly, the system will warn you visually and audibly.

ASSISTED BRAKING Forward Collision Stop adds another dimension of security. It detects vehicles in the lane ahead of you. If you need to brake, it will push up the accelerator pedal and apply the brakes to help minimise or even prevent a collision.

HELPING STAY IN CONTROL Vehicle Dynamic Control (VDC) compares actual vehicle cornering to the driver’s input. If the system senses oversteer or understeer, VDC adjusts engine power and applies appropriate braking to individual wheels to help correct the problem and keep the Infiniti Q30 on the intended path.

BETTER DIRECTIONAL STABILITY WHILST STOPPING Electronic Brake Force Distribution adjusts the amount of pressure applied to the front and rear wheels to improve braking performance and reduce front-end dive.

SENSING WHERE YOU CAN’T SEE The Blind Spot Warning System1, 5 uses sensors to help alert you to a vehicle detected entering the blind spot area in an adjacent lane and helps you avoid it. First, the warning light illuminates. Then, if you begin moving toward the occupied lane, a warning sounds.

ENHANCED PROTECTION Includes dual-stage front air bags, front seat-mounted side-impact air bags and roof-mounted curtain side-impact air bags. Knee air bags for the driver help provide an additional measure of safety in a front or rear collision.

STRONGER AND LIGHTER High- and ultra high-strength steel is used in critical areas, such as the roof pillars, floor and roof crossmembers, door beams and various reinforcements to enhance your safety in case of a collision.

REDUCING FORCE In the event of a collision, advanced front and rear crumple zones deform gradually to help absorb the energy of the impact before it reaches the passenger cabin.

INFINITI Europe, Division of Nissan International SA, CH-550-1047524-0, Z.A. La Pièce – Bât. B2, Route de l’Etraz, 1180 Rolle, Switzerland

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by INFINITI Europe. Before relying on this brochure to make a purchase decision, interested parties should directly contact the Infiniti Centre to confirm the accuracy of any information given herein and how it relates to a specific vehicle. INFINITI Europe reserves the right to make changes, at any time, without prior notice, in prices, colours, materials, equipment, specifications and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, the actual vehicle, materials and specifications may vary from this brochure. Some vehicles are shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in other countries. For additional information on availability, options or accessories, contact your Infiniti Centre.

Infiniti has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your local Infiniti Centre.

1 Available on selected models and/or at extra cost. 2 Moving Object Detection cannot completely eliminate blind spots and may not detect every object. Moving Object Detection operates at vehicle speeds below 5mph (8km/h). Always check surroundings and turn to look behind you before moving vehicle. 3 Only available in combination with Infiniti InTouch navigation system. 4 FWD is intended to warn you before a collision occurs, it cannot prevent a collision. Speed limitations apply. Always drive safely. 5 Blind Spot Warning is not a substitute for the driver following proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you.

DESIGN PACKS

THE INTERIOR DESIGN PACK adds thoughtful and comforting refinements inside your Infiniti Q30. Floor mats that match the cabin are the perfect complement. Every time you open the door, illuminated entry guards warmly welcome you with their glow. And the reversible trunk liner protects the trunk in attractive style.

1. ILLUMINATED ENTRY GUARDS. Designed to protect the entrance. Also provide illumination when opening the door.
2. REVERSIBLE TRUNK LINER. One side is cloth. The other has a washable, non-slip texture to help secure objects in the trunk.
3. PREMIUM TEXTILE MATS. Protect your carpet while adding to the interior’s style and feel.

THE EXTERIOR DESIGN PACK brings athletic inspiration to the outside of the vehicle. Carbon-look side sills and mirror caps further define and enhance the pro-sport profile of Infiniti Q30. The chrome trunk finisher complements the purple or red front bumper finisher. Together, they complete the singular look of your Infiniti Q30.

4. BUMPER FINISHER. Adds to the vehicle’s street presence and amplifies its athletic attitude. In red or purple.
5. CARBON LOOK SIDE SILLS. Boost the vehicle’s sporty look by drawing attention to its powerful stance.
6. CHROME TRUNK FINISHER. Enhances the vehicle’s elegantly sculpted rear profile.
7. CARBON LOOK MIRROR CAPS. Further enhance and define the athletic presence of the vehicle.
DRIVEN BY DESIRE

Design doesn’t answer to logic, it answers to the heart. It begins with the artist drawing a simple line, curve or shape and loving something in it that must be fully expressed. To Infiniti, design is more than a passion, it is part of our business DNA.

WHEN A BRAND IS LED BY DESIGN, that becomes the brand’s way of communicating. Every vehicle gives voice to that language through the harmony of striking lines, liquid curves and muscular stance. Proprietary elements, including the double arch grille and crescent cut, distinctly express the Infiniti design-led approach to product development and business vision. Fuelled by the power of design, an Infiniti concept car is a glimpse into tomorrow as it develops from being a sketch on the artist’s table to taking its rightful place on the road.

In synthesis with powerful design, purity of form rises above style. Through sweeping lines and arching curves, the thing we place above all else is the artist. His sense of the future.
Established in 1989, Infiniti has now grown to include saloons, coupés, convertibles, crossovers and SUVs in its line-up and spans 50 countries worldwide. Infiniti is unique and distinctive — not trying to be all things to all people, but everything to some people. At the heart of the Infiniti brand is a history of human attentiveness where the belief that the total ownership experience is much more important than just the car itself, coupled with a commitment to delivering a more empowering, more assured and more exhilarating driving and ownership experience.

Infiniti has come to be recognised as a brand that delivers expressive and stunning car design. A distinctive design crafted by human hand and delivered with a powerful and daring presence on the road. This, combined with an obsessive attention to detail and precision engineering, all contribute to the feeling that to drive an Infiniti is something special.
FEATURES

WHEELS

- LED auto-level headlights – –
- Smart beam (auto high/low beam) – –
- Adaptive Front-lighting System (AFS) – –
- Halogen headlights

- Front bumper sport design – – – – – –
- Satin chrome window trim
- Front bumper sport design

- Rear bumper sport design diffuser
- Halogen headlights

- Adaptive Front-lighting System (AFS)
- Smart beam (auto high/low beam)
- LED auto-level headlights
- LED front fog lamps

SAFETY AND SECURITY

- Rear parking sensors
- Lane Departure Warning (LDW)
- Ultrasonic alarm system
- 4-wheel Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD), Traction Control System (TCS) and Vehicle Dynamic Control (VDC)
- Forward collision warning and stop
- Tyre Pressure Monitoring System (TPMS) – warning
- Headlight wipers
- Auto dimming rear view mirror
- Auto dimming driver mirror
- Heated windshield washer jets
- Cruise control

- 7 airbags (front driver and passenger, front hip/thorax side, front-to-rear curtain, driver's knee)
- Rain sensing wipers
- Heated and electrically adjustable exterior mirrors with manual folding
- Body colour door mirrors with LED turning signal
- Dual rectangular chrome exhaust finishers
- Satin silver door mirrors with LED turning signal
- Black door colour mirrors with LED turning signal
- Heated and electrically adjustable exterior mirrors with power folding
- Heated and electrically adjustable exterior mirrors with manual folding
- Puddle lamps on door mirrors
- Blind Spot Warning (BSW)
- Automatic headlight activation
- Dual rectangular chrome exhaust finishers
- Dual rectangular chrome exhaust finishers
- Black door mirrors with LED turning signal
- Satin silver door mirrors with LED turning signal
- Body colour door mirrors with LED turning signal
- Heated and electrically adjustable exterior mirrors with power folding
- Heated and electrically adjustable exterior mirrors with manual folding

TECHNOLOGY-ON-BOARD

- Touch screen infotainment system (LCD VGA 7”)
- Voice recognition system
- Bluetooth® audio streaming with phone book functionality
- Keyless entry system and chromed door handles
- Infiniti drive mode selector (DCT only)
- Rear view camera with front and rear parking sensors with display
- Blind Spot Warning (BSW)
- DAB digital radio
- Forward collision warning and stop
- Intelligent Cruise Control (ICC)
- Blind Spot Warning (BSW)
- Automatic park assistance with Around View Monitor (AVM) and Moving Object Detection (MOD)
- Security pack (for manual transmission)
- Tech pack
- Rear view camera with front and rear parking sensors with display
- Keyless entry system and chromed door handles

COMFORT

- Attraction light
- Glass roof with electric sunshade
- Single zone manual air conditioning
- Automatic air conditioning with dual zone climate control and rear vent centre console
- Front and rear, one touch up and down, electric window
- Front passenger footwell light
- Front centre armrest

AUDIO

- Bose® Premium audio system
- AM/FM audio system with single CD player
- 6 speaker sound system
- 2 USB ports with smart phone and iPod connectivity
- Active Noise Cancellation (ANC) for 2.2d engine

INTERIOR

- Wood inserts in door panels and centre cluster
- Black Leather interior trim
- Headliner in Dinamica
- Multifunction steering wheel
- Multifunction steering wheel with flat bottom
- Leather steering wheel and gear shift lever
- Manual reach and rake adjustment for steering column

1 Only available in combination with Infiniti InTouch navigation system
2 Only available in combination with Business pack
3 Standard feature in the Business pack
4 Only available in combination with 2.2d engine

</table>

1 Results based on EU regulated laboratory testing, and may not represent real-life driving results (which vary depending on driving behavior, conditions and other factors).
2 Figures quoted according to Directive 92/21/EC, version 95/48/EC (kerb weight with 90% fuel tank filling, 68 kg for the driver and 7 kg for luggage) for standard specification vehicles. Optional equipment and accessories may increase this figure.
